POLICY ON TRANSPORTING CHILDREN TO & FROM CRICKET MATCHES

- Parents/carers are responsible for the safe delivery and collection of their child for all cricket matches, competitions and training.

- In order to allow parents/carers the opportunity to make appropriate arrangements for transport of your child, Junior fixtures **for the current season** are posted on the Facebook page “Brymbo Cricket Junior Section” and the Club’s website: www.brymbocricketclub.com.

- Coaches and club staff will be responsible for children in their care when on the club premises or on arrival at opponents’ cricket grounds.

- It is not the responsibility of the coach or team manager/member to transport or arrange transport of the children to and from the club or match.

- Brymbo Cricket Club must receive permission from parents/carers for children to participate in all competitions and away fixtures/events.

- The team sheet will be posted on the closed/private **Spond** group a week in advance of fixtures.

    - **Parents/carers must confirm availability and that transportation is arranged themselves.**

- Brymbo Cricket Club requires parents/carers to remain at training sessions and matches with their child.

    - If it is necessary for a parent/carer to “pick up and drop off”, they **must** speak with the coaches to advise of this and also provide alternative emergency contact details.
